## Important Medical Emergency Information for the Stuttgart Community

The Stuttgart military community has several emergency numbers you should know, depending upon the particular situation. The German Red Cross (DRK) provides ambulance service to the Stuttgart military community (the Patch Health Clinic has no ambulance service or capability). The DRK should only be used for genuine emergencies to prevent loss of life, limb or vision or to limit undue suffering. A true emergency is a condition that requires transportation by ambulance to prevent or minimize the risk of losing life or limb.

If a true emergency exists on- or off-post, call the Military Police at 114 or 116/civ. 0711-680-114 or 116. These two numbers are answered by the on-duty MP desk sergeant who will relay your request for ambulance service to the DRK for all on-and off-post emergencies.

You will be asked several questions by the desk sergeant and should be prepared to provide the patient's name, age, sex, nature of emergency, your telephone number and location (to include installation, street, building, apartment and room number, etc.). You should remain calm and stay on the line until you have answered all questions and hang up only after the sergeant does so.

Remember: Do not call or report to the Stuttgart Health Clinic for emergencies. They are not staffed or equipped to handle these situations. True emergencies which may require ambulance service can be categorized as heart attack, poisoning, severe bleeding, unconsciousness, difficulty in breathing or severe injury to the head or torso.

## Witnesses Needed for Patch Robbery

German and military police are seeking witnesses to a Patch Barracks robbery which occurred the weekend of July 13 to 16. Building materials valued at several thousand marks disappeared from their storage area at Nebadastrasse, in front of buildings 2402 and 2404. These materials, among them wall and floor tiles, spackling materials, tile adhesive, floor boards and bags full of bricklayer mortar, were most likely moved with a vehicle.

The police are looking for witnesses to the loading of these materials onto a truck or similar vehicle and subsequently driven off on July 13 after 4 p.m. or any of the following two days. Information regarding this incident should be directed to Herr Reuter, Vahingen Polizei Post, at 0711-735-6925 or Patch military police station at 0711-680-5261.

## Sargento Food Recall

Sargento Foods, Inc. has voluntarily recalled two of its cheese products: 6 Cheese Italian Shredded Blend in the 8 oz. package bearing a date of Oct. 20 2001/UPC 04610000091, and Fancy Shredded Mozzarella in the 8 oz. package bearing a date of October 19.

Both products are feared to be contaminated with listeria monocytogens, a bacteria which can cause a serious food borne illness known as listeriosis.

Only the 6 Cheese Italian Shredded Blend is carried by European commissaries.

Customers will find the date printed in the lower left quarter of the package front.

Any customers who have this product at home with the date indicated above are cautioned not to use it and should return any unused portion to their commissary for a full refund.

## NATO Sets Rules for Military, Civilians

The NATO Statutes of Forces Agreement establishes the rights and responsibilities of U.S. military members, civilians and family members while stationed overseas. These strict guidelines effect individual's passports and corresponding documentation when traveling to and from Germany. All individuals falling under the German SOFA agreement should be aware of these requirements and always have the correct identification and documentation with them.

Failure to carry proper SOFA identification upon exit and reentry to Germany may result in a large fine levied by German authorities. For a detailed list of these requirements consult the DOD Foreign Clearance Guide, DOD 4500.54-G, [www.fcg.pentagon.mil](http://www.fcg.pentagon.mil). or contact the Legal Assistance Office at 430-8005/civ. 0711-680-8005.

## Report Suspected Espionage Incidents

Community members who encounter a suspicious incident are reminded to not commit themselves to do anything and ask for time to think over any offers. Remember all descriptions and details about locations, people, conversations, vehicles and license plates. Report the incident immediately by calling the Stuttgart Military Intelligence Office, 421-2206/civ. 0711-729-2206.

## Sign Those Receiving Reports

The Regional Contracting Sub-Office reminds customers to promptly acknowledge receipt of supplies or services. A completed receiving report must be forwarded to RCO and the Finance and Accounting Office listed in the contract within two

working days. Lack of a signed receiving report, DD Form 250, DD Form 1155 or SF Form 1449, can delay or prevent payment to the vendor and result in the requesting unit being charged a late fee. For info call 421-2195/civ. 0711-729-2195.
